

AWESOME COMFORT, SUPERIOR SOUND QUALITY

The MH751 Gaming Headset offers high-quality sound with high-comfort fit for your longest battle royale sessions. 40mm Neodymium drivers provide full, balanced sound, while the omnidirectional boom mic keeps communication in your squad crystal clear. Additionally, the earcups provide a combination of comfort, with plush cushions, leatherette pads, and swiveling base to keep you fighting for hours at a time. Superior in comfort and sound, the MH751 is your choice for extended gaming sessions.

FEATURES

- **Superior Comfort** – Swiveling ear cups, plush cushions, and lightweight construction provide the perfect fit for hours of comfort during the longest listening sessions
- **Multi-platform Compatibility** – 3.5mm connection adapts to multiple devices including PC, Xbox One, Playstation 4, Nintendo Switch, and mobile devices.
- **Hi-fi Sound** – 40mm Neodymium drivers and soft leatherette ear pads work in harmony to provide a full and balanced sound with excellent noise isolation
- **Crystal-clear Communication** – Omni-directional boom microphone is easy to position and reduces background noise for clear voice capture
- **Portable Form Factor** – Detachable cable, detachable microphone, and fold-flat hinges improves portability for transport and usage beyond the gaming environment
- **Sleek Styling** – Make a statement without the sound and fury; superior audio performance is heard, not seen.

FEATURE HIGHLIGHT

Superior Comfort - Swiveling cups, plush cushions, and leatherette padding. The only way it could be more comfortable is if they were marshmallows.

Connects to Anything You Can Game On - 3.5mm standard jack is compatible with PC, PS4, Xbox, and even most mobile setups.

Sound Quality to Match - 40mm Neodymium drivers give the kind of full, balanced sound only found in movie theaters.
Crystal-Clear Communications - An omni-directional boom mic reduces background noise and isolates your voice.

As Portable as It Gets - Detachable cable and mic, and a foldable design means you can take your marathon sessions on the go.
