## Overview

### LabelWorks LW-400, Powerful and Flexible Organiser

- Portable electronic label maker with built-in keyboard
- Accepts 9, 12, and 18mm tape widths
- Ideal for office labeling, including filing, storage, asset tagging and barcode printing
- Simple to use with ergonomic buttons
- Dedicated buttons give quick access to cutting and printing functions
- Store up to 50 custom label designs for instant recall
- Backlit LCD screen for a clear view, whatever the light conditions

### Better Value by Design

All LabelWorks printers are designed from the ground up for greater cost efficiency. Through the use of significantly smaller side margins, margin wastage is reduced by up to 60 percent#. Labels are perfectly sized for fast and easy application.

*#10mm margins versus competitive label printer brands with 26mm margin*

### From Ordinary to Extraordinary

LabelWorks printers offer tremendous creative flexibility with up to 14 font types and 10 different styles (bold, shadow, outline, etc), 457 symbols and 87 frames, for users to create unique labels for every need. Epson's wide selection of high-quality labels in a variety of styles, sizes and colours lets you create labels as eye-catching, personal or professional as needs be. Tape widths range from 9mm to 36mm, in standard, metallic and pastel colours, patterns, and even specialised applications such as iron-on, glow-in-the-dark, cable wrap and index tapes.

### Create Once, Reuse Anytime

Say no to spending precious time and effort to recreate your favourite labels. The LabelWorks LW-400 can store up to 50 custom designs so that users can easily reprint label designs when necessary.

### Economical, Longer-lasting Labels

Whether you work in an office, factory, retail outlet, medical environment or a school, a wide selection of tape types, sizes and colours means you can be sure Epson has exactly the right one for you. With the new LabelWorks range, you even get the choice of our transparent, pastel, metallic ranges as well as specialist cable wrap labels. Epson labels can withstand exposure to heat, cold and wet conditions, making them ideal for any application in offices through to tough industrial environments. The powerful LabelWorks range is designed to work perfectly with Epson tapes every time, leaving minimal margins and less waste. And with Epson's 8-metre tapes, you get more labels for your money.

- Save money with economical 8-metre tapes
- Lift and reposition standard labels within 24 hours
- Fully tested, durable labels that survive extreme temperatures and wet conditions
- Labels stick fast to almost any surface - even curved, glass and stainless steel

- No residue from adhesive when labels are removed
