

K380

RC-K380-KWN1

K380 is an entry level mid-tower with a rugged look and full matte black finish. Up to four fans can be installed. One 120mm red LED fan located behind the front panel is included and offers optimized cooling. A fan can be mounted on the windowed side panel to keep graphics cards cool. Large high-end graphics cards, like the NVIDIA GTX690 and AMD HD 7990, are supported thanks to K380's spacious interior. It comes with three tool-less 5.25" bays and space for seven HDDs (three tool-less) to increase expandability. An USB 3.0 port lets you charge and access data on smart phones and tablets much faster than USB 2.0.

Features

- Mesh and honeycomb vent on front panel for superior cooling
- Large windowed side panel with fan mounting to cool graphics cards
- Supports up to 4 fans. One silent 120mm red LED fan behind the front panel is included
- Super speed USB 3.0 port for 10x faster file transfer and 2x faster phone/tablet charging
- 7 HDD bays (3 tool-less) for increased expandability
- Supports high-end graphics cards, including NVIDIA GTX690 and AMD HD7990

Package Information

EAN Code	4719512039229		
UPC Code	884102018602		
Carton Size	470 x 240 x 525 mm		
(L x W x H)	(18.5 x 9.4 x 20.6 inch)		
Pallet Size	1240 x 968 x 120 mm		
(L x W x H)	(48.8 x 38.1 x 4.7 inch)		
Container	w/ pallet	Cnt/pallet	w/o pallet
